RE-OPENING PROCEDURES & PROTOCOLS

PRE-OPENING PROTOCOLS
• Deep cleaning and disinfecting of entire facility
• Sneeze guards installed at check-in desk
• Elimination of common area waiting to prevent congregating
• Limited building capacity and staggered work schedules for staff
• One-way entrance and exit to control traffic flow and distancing
• Disabled water fountains

PRE-ARRIVAL & REGISTRATION PROCEDURES FOR STUDENT-ATHLETES
• Advance registration for clubhouse sessions required via website link
• Students must bring own equipment (i.e. basketballs, batting helmet, batting gloves, and catching gloves)
• Equipment should be properly labeled with player’s name or initials
• Bring own water bottle(s) – water foundations will be unavailable

UPON ENTERING
• Visitors must have a mask, sign-in at front desk and complete brief health checklist
• Students must complete health wellness check before participating in team practices or instruction
• Masks must be worn always except when playing
• Enter through main entrance and check in with BASE staff/coach
• Must wash hands or use hand sanitizer when entering and leaving the Clubhouse
• Leave all belongings in designated areas, as instructed by BASE Staff

PROCEDURES DURING PRACTICE & INSTRUCTION TIME
• Masks and other belongings secured in bags
• Only 9 players and a coach will be allowed for all group sessions, until further notice
• Refrain from personal contact – remember to social distance between turns

UPON EXITING
• Wash hands or use hand sanitizer when exiting the building
• Exit from the Club House back door
• Remember to wear your mask and social distance while entering the building and waiting for your ride

The BASE routinely disinfects and wipes down all sports equipment, office workstations, bathrooms, classrooms/conference rooms, and other hard surface areas. Hand sanitizer will be provided for players, and there is signage posted throughout the facility to serve as constant reminder to emphasize the importance of cleanliness, proper protective gear, and social distancing.
